

Year 4 placements at SaTH

Hospital based placements are normally split approximately 50/50 between Shrewsbury and Telford; some placements are based solely on one site, other placements are split across both sites.

This is a rough guide as to where clinical placements are primarily based, however please note the majority of formal teaching sessions are at Shrewsbury.

Please note due to the current Covid 19 pandemic placements may switch sites.

Women's Health – Telford (PRH)

Surgery – Shrewsbury (RSH)

IMP2 – cross site

IMP1 – cross site

Child Health – Telford (PRH)

DCS (general practice) placements are allocated directly by the placement team at the main university.

Mental Health placements are centrally administrated by the Midlands Partnership Foundation Trust.
